

Boys 11-12

We have reached the end of another thrilling, sensational season! There were 10 teams of 8 athletes in the B11-12s Age Group this year. All games were played at PBRP. Each team played a total of 9 games in the regular season. All of our young boys and coaches portrayed a great deal of sportsmanship, teamwork and effort. These boys competed hard each and every week demonstrating some excellent talent. I would like to thank our coaches for helping to make this another tremendous season for the athletes. Our awesome coaches this year were Wilson (Heat), Williams (Celtics), Hatfield (Suns), Romany (Nuggets), Philogene (Kings), Lherise (Cavaliers), Halfhide (Lakers), Blank (Timberwolves), Francis (Magic) and Delgado (Hornets).
